

AMBOYS MEET EAST PENN RED CAPS SUNDAY AFTERNOON

AMBOY TO HAVE REAL OPPOSITION ON SUNDAY

Despite the fact that there seems to be an ill shadow over the Raritan Copper Works field for the Amboy baseball nine whenever they play a colored team, every effort will be made by the local representatives to add another to their present winning streak when they entertain the Penn Red Caps, a popular colored outfit, here on Sunday afternoon.

The Penn Red Caps for the past several years have made an excellent showing in this city and vicinity, and with a strengthened lineup this season have been reported cleaning up everything in their path. In North Jersey and in New York and Pennsylvania the Red Caps have been said to be a semi-pro team of unusual calibre.

For the past few seasons it has always been the fate of the local representatives to fall heavily whenever a colored team formed the opposition. The same luck seemed to grip the Amboys this year, as one of their first defeats was registered by the Royal Colored Giants. Even under these conditions, Manager Ed Poulsen says that he is confident of a win on Sunday.

An added attraction on Sunday will be the appearance of a new umpire on the local diamond to succeed Umpire Kelly. The name of the new official has not yet been made known, but it is expected that he will be first class. Charley Brownmiller will occupy his usual position at the bases.

Manager Poulsen announced this morning that he has booked some excellent attractions for the balance of the season, but holds that unless the fans turn out in bigger numbers in the future the local diamond will be given over to some other local manager.

It seems a pity that a team with the reputation that the local combination holds throughout the state cannot be supported by local fans. Perth Amboy made a surprise for itself by the excellent court representatives last season, and has an excellent opportunity of furthering its good name, as far as athletics are concerned. Let every fan in this city turn out to the Sunday games here and make Perth Amboy popular in baseball, it is urged by the local manager.

LEAGUE DEFIANT FOR HELMETTA

Sayre & Fisher Nine Wins 12 to 11 Victory in Game Played at Helmetta

HELMETTA July 20—The George W. Helme Company's team were defeated here Wednesday evening by the Sayre & Fisher team in a Mid-dlesex County Industrial League contest. The final score was Sayre & Fisher, 12; Helmetta, 11.

The visitors started scoring right off the bat and looked like a sure winner, but a dispute happened following the failure of Hockenjos to touch third base in running for home. Miller, the field umpire, claimed to not have seen the play, but Fouratt the other umpire, looking at the play and declared the runner out. The visitors refused to play and looked like they would have to forfeit the game. Helmetta, however, consented to play the game under protest that was made to the league authorities.

BIG GAME FOR TOTTENVILLE

Aquehonga to Play Liberty Field Club of Long Island Sunday Afternoon

A big attraction on the Aquehonga field, Tottenville, on Sunday afternoon, will be the appearance of the crack Liberty Field Club, of Long Island, over whom the Tottenville nine expects to make their third straight victory. On Tuesday night the Aquehonga defeated the Staten Island Elks, and on Wednesday night St. Mary's All Stars also of the Island were downed by the Tottenville outfit.

In Sunday's contest Hornsby, local hurling artist, will occupy the mound for the Tottenville team while Carlelo, who defeated the Chappaqua nine, of New York, in a ten inning game, after they had won eighteen straight contests will do the hurling for the Liberty's. Harry Robedes will officiate in this engagement.

Claim Junior Title

The Hungarian Catholic Club Separates, a junior combine of North Amboy, is a claimant of the city junior championship and maintains that any party disputing this claim should call Perth Amboy 633-TV after 6 o'clock evenings. Teams of the calibre of the Amboy juniors and Keesbey juniors are desired for booking.

BUSINESS MEN'S TEAM FORMED

"Hank" Thomas, Manager of New Baseball Combination of This City

A new team to be known as Perth Amboy's Business Men's nine is the latest thing in local baseball circles. The new outfit which will be picked from the business men of the city has been started by David "Hank" Thomas.

To date an incomplete roster has been arranged, but it is expected that at an early date practice sessions will be held, and the many candidates sifted to a regular lineup. The following is a list of the men from whom the new combination will be taken:

Frank Woglom, Joseph Greiner, John Foster, Martin Jacobsen, Sol Kelsey, Ike Levine, John Kelly, Marcus Leon, Wesley Hansen, Isadore Jacobsen, Phil Schlesinger, Fannie Terio, Frank McCormick, Louis Booz and Hank Thomas.

"Poz" Booz will do a large part of the twirling for the merchants, while Fannie Terio will be found behind the bat. Rufus Allen, athletic officer of the local American Legion Post 45, will do the officiating at all home games.

"Hank" Thomas will act as captain and manager and at present is making an effort to arrange a series of games with the local police, Dublin Glee Club and teams of like strength.

Teams desiring games with the merchants can arrange them by writing Hank Thomas, care Hank's Sport Shop, 517 Madison avenue, or call 1245.

HOODOO PURSUES MUCH TOOTED DETROIT CLUB

DETROIT, (By NEA Service)—It is always customary for a losing ball club to have an alibi. The Detroit Tigers are no exception.

Picked by many to make all kinds of trouble for the New York Yankees, the Tigers have so far failed to come up to expectations. The club's showing has been a distinct disappointment.

It was figured that the deal which brought Second Baseman Pratt and Pitcher Collins from Boston to Detroit would make the Tigers. These two players so far have added no material strength to the club.

In the matter of injuries a jinx has been on the trail of the team since opening of the season. Detroit has suffered more from injuries and illness than any other club in either major league circuit.

"For the first 16 games of the season we had our regular lineup," explains Manager Cobb. "Of those 16 games we won 11 and lost five. No club in the league played better ball during the first three or four weeks of the season."

"Then came a series of accidents in which every man on the infield hit suffered. Third Baseman Jones and First Baseman Blue have been out for weeks."

"Since our sixteenth game of the season we have not once been able to place our regular team in the field. It seems the moment an ailing regular gets back, another one is forced out."

"Had we been able to keep our regular team in the field like the Yankees, we would now be pressing them hard for first place."

Luque Is Majors' Pitching Ace

Adolfo Luque, big Cuban Twirler For the Cincinnati National League Team, is the pitching sensation of the Majors this year.

CINCINNATI—Often one pitcher going at top speed makes a ball club.

This is particularly true if the club didn't bank strongly on the showing of that pitcher.

Adolfo Luque of the Cincinnati club is easily the pitching sensation of the major leagues. He has made the Reds a dangerous contender for the fast going New York Giants.

Last season Rixey, by his sensational work, kept the Reds in the race. This year Luque has supplanted Rixey and then some.

The jinx that pursued Luque last year seems to be on the trail of Rixey this season. Inability of

Luque to win consistently last year was a big handicap to Pat Moran in his quest for the pennant.

Getting away to a bad start in the spring of 1922 Luque had his troubles winning no matter how well he pitched. The very best he could do was win 13 and lose 23 games for a percentage much lower than that recorded by his club.

When the 1923 campaign opened Manager Pat Moran had his doubts about Luque. Some of the experts on the National League circuit figured the Cuban was slipping. Luque immediately proceeded to upset the dope and has kept on doing it.

In the first 15 games that he has worked Luque has scored 13 victories and suffered only two defeats. Strangely enough the Chicago Cubs won both games by the scores 2 to 1 and 2 to 0. Luque pitched brilliantly in the two defeats, the breaks of the game, which went against him, decided the issue.

Of the 13 games won by Luque, seven came in a row. Only 23 runs have been made off Luque's delivery in his remarkable pitching performance covering 20 games, in several of which he acted as relief pitcher. An additional proof of his effectiveness can be gleaned from the fact that he leads the National League in strikeouts.

BRIEF BITS OF SPORTS IN ALL FIELDS

The unusual interest displayed in the cutter races of the crew of the Eagle 48 at the local yacht club regatta on July 7, leads many to think that cutter races will be a feature of boat racing in this city hereafter.

By the looks of the beating given the South Amboy Y. M. C. A. on Wednesday, Freehold is expected to cop the championship of the Three M. County League. The Monmouth county aggregation came out on top last year, and to date the Bash team of Trenton seems to be the only other real contender.

A very large gathering turned out for the Perth Amboy High School Independent Y. M. H. A. diamond contest on Wonderland Park last night.

Plenty of indoor activities are expected to take place on the new Y. M. H. A. gymnasium court this year. A strong representative team will be formed shortly after the new building is completed.

If no other representative team is formed it is probable that the Light Tings who made a banner season for themselves last year will represent South Amboy on the court this term.

The entering of Jamesburg into

the Three M County League will no doubt make some interesting changes in the league standing, as in former years teams representing that place were all in the leading semi-pro class.

If Rufus Allen, athletic director of the local American Legion Post 45, has his way this fall Perth Amboy will once more be represented on the gridiron.

According to the schedule only one game will be played in the local industrial league on the Copper Works diamond Saturday. This will be one of the recently postponed games.

Although last season here was a big one in the ring sport it is said that the 1923 season will be the biggest ever in boxing in this city.

Local baseball fans who are following up the local copper team are wondering how the bluecoats will do without Bernard Toolan behind the plate in Tuesday's contest against the Dark Horses.

Many local fishermen are taking advantage of the good season in water game down at Long Branch. Some big catches have been reported by anglers here.

INGOTS TO PLAY HOMERS BEAT POINT PLEASANT GIANTS, 3-0

Copper Works Nine to Travel Down Shore Tomorrow—Fast Game Expected

Brooklyn Only New York Team to Win in Games Played Yesterday

Manager Hurley's Raritan Copper Works baseball nine will travel to Point Pleasant tomorrow afternoon where they will cross bats with the strong representative combination of that place. Mickey Soo will probably do the twirling for the locals, while Kuran will be held in reserve.

At the Ocean county city tomorrow the local nine will find real opposition as the Point Pleasant combination has been reported as being stepping at a considerably fast pace. This team has played in this vicinity many times this season and has made a good showing on every appearance, one time defeating Les Strattin's Du Pont warriors. Wallace will do the receiving for the Copper Works nine.

One homer was enough to beat the Giants in their second game of the series with St. Louis yesterday, but Mueller insisted on clouting two, and Bottomley wanted one, so that the champions received a 3-2 beating from the Cardinals. The Yankees lost the second game of their tilt with Detroit yesterday by a 9-2 score, in spite of Bambling making half of his team hits. This puts Ruth in the .361 batting standing.

Brooklyn secured one run in the second inning against Cincinnati yesterday and that was plenty, for the Reds failed to do any better, and the Dodgers won 1-0. This is the second time during the present season that Dazzy Vance, Brooklyn's pitching ace, defeated the Cincinnati.

SOUTH AMBOY Y. M. C. A. NINE PLAYS WHEELER CONDENSERS

The South Amboy Y. M. C. A. will make an effort to overshadow the drubbing handed them by the Freehold team of the Three-M league, or Wednesday, when they meet the crack Wheeler Condenser nine of Carteret tomorrow afternoon on the South Amboy diamond.

In Wednesday night's contest Wellman, who was not experienced enough to hold the Monmouth county representatives, did the twirling and not Art Young, local moundsman, as stated yesterday. Young was out of the game on account of illness. Jacobs also had a good part of the twirling, allowing but one hit from the seventh inning.

The lineup for tomorrow's contest will consist of Young and Morgan, or Lagoda, in the points, Jacobs, Letts, French and Hyson in the infield, and Zanzalari, Lyons, and Crowell in the outer gardens.
